

MENTOR

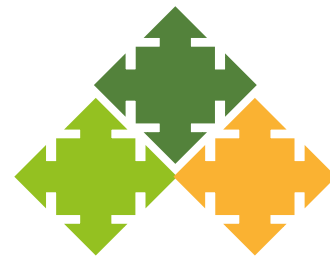

empowering you to be yourself

Who is a mentor

“A mentor empowers a person to see a possible future, and believe it can be obtained”

What is the difference between a teacher and a mentor

“A teacher teaches everybody the same thing. A mentor helps you discover yourself”

Who is a good mentor

“Mentorship is about, clear communication, setting an example, providing inspiration, stimulating the thought process, helping set clear goals, encouraging when chips are down and promoting ethics ”

What do you get from a good mentor

MENTORING

Who is a good mentee

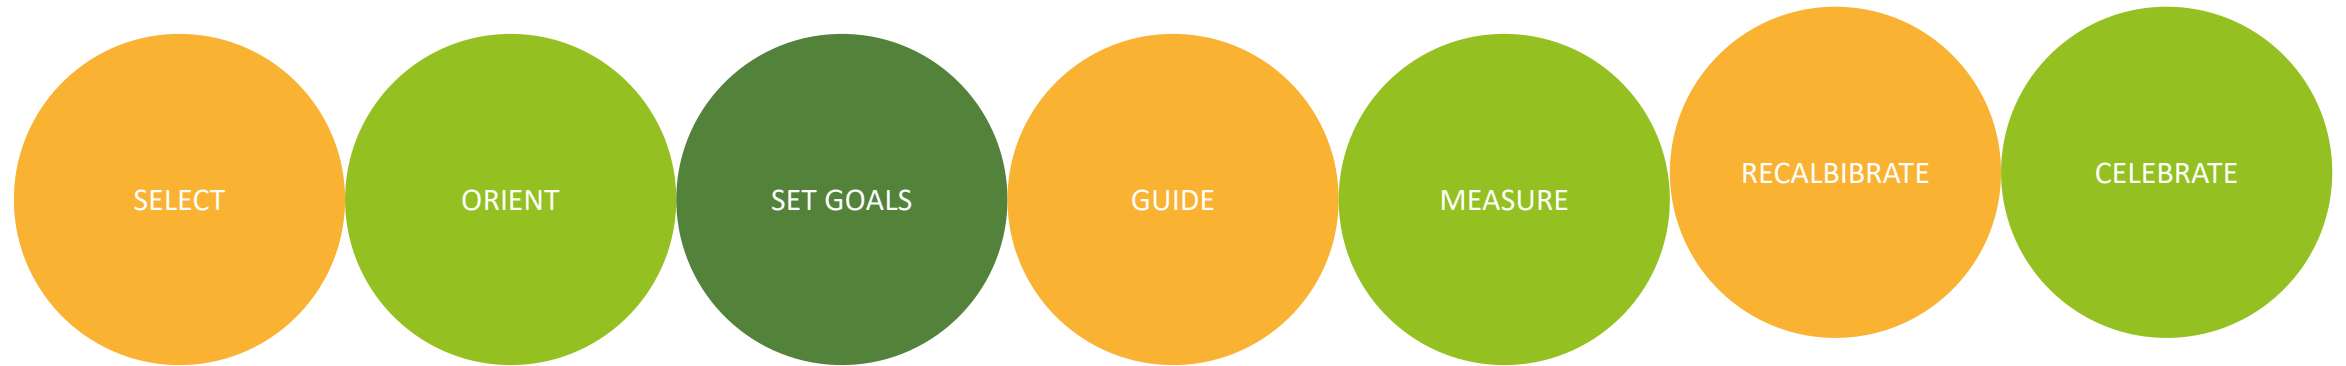

“A good mentee is respectful of mentors time, is respectful of mentors privacy, is respectful of mentors trust and keeps following up and checking in with the mentor”

“A good mentee gets the most of a mentoring relationship, expands professional network, gets tools to reach goals, remains focused and finds new opportunities”

The journey

The Elements

- ICEBREAKER

The program is only a foundation on which mentor-mentee relationship is built. With the foundation in place, the mentor will be available to the mentees as and when the mentee needs support. It is the mentees responsibility to leverage the mentor-mentee relationship

MENTORING

VS

Short-term or a single session

Minimal time commitment from mentor

Focused on short-term objectives

Involves a specific project, topic or skill

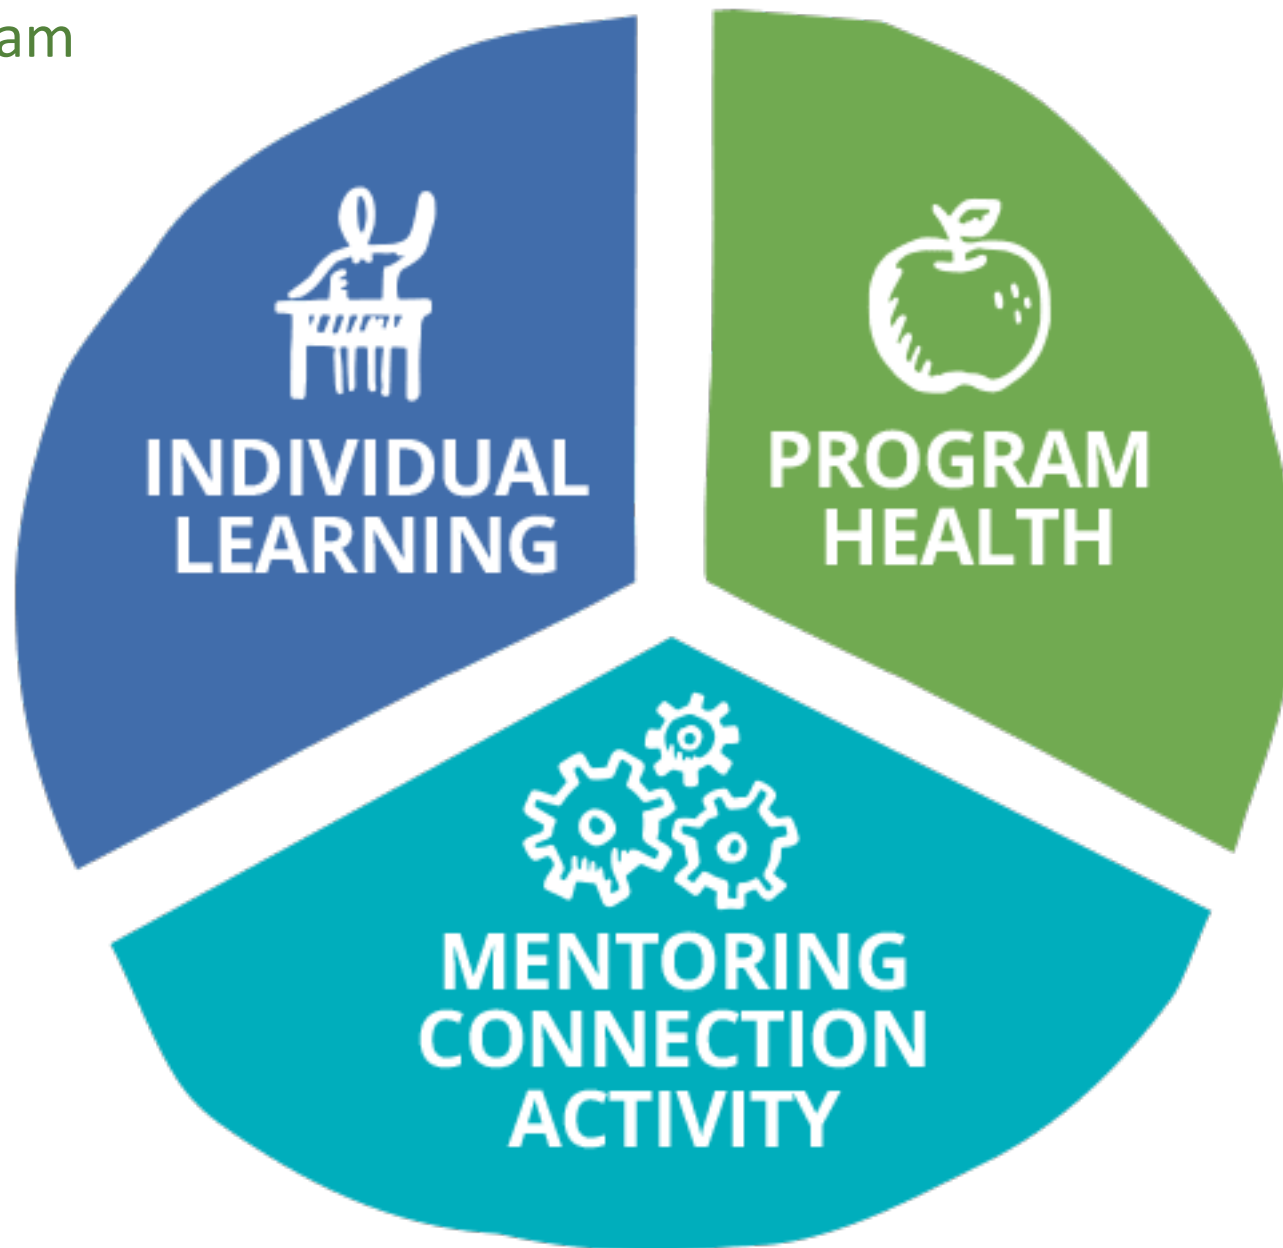

Long-term relationship

Continued time commitment from mentor

Focused on long-term objectives

Involves success of an individual's career

Monitoring the program

Process

- Online application
- Personal interview
- Establish mentor-mentee relationship
- Continued mentorship
